

CONSOLIDATE YOUR STORE SUPPLIES.

**Increase efficiency
and save money!**

Say goodbye to your supply chain hassles and paperwork with FSI's store supplies consolidation program. Discover a scalable solution designed specifically for store supplies. Let us show you how consolidation can transform your supply chain, leading to improved efficiency and savings!

We've developed a comprehensive supply chain solution that allows retailers to optimize their store supplies.

Take Control of Your Supply Chain with FSI.

To achieve peak performance, your supply chain needs to be flexible and agile, capable of navigating changes and adapting to evolving business requirements. Consolidating store supplies effectively saves both time and money for your retail chain.

Here's how it works

PLAN

We input your store supplies data into our forecasting tool.

INVENTORY

We coordinate with your vendors or offer alternative vendors to build inventory and continuously re-order as needed to ensure inventory is always available.

DISTRIBUTE

With FSI's custom ordering portal, stores can experience unparalleled convenience. Our user-friendly portal allows stores to easily place orders for their needed supplies, and our streamlined processes ensure the shortest lead time in the industry for shipping. Use our vendors or keep yours!

With FSI's robust technology and demand-driven scalability, we specialize in:

1. Ensuring your stores get the correct items they ordered... **before you stock out!**
2. Executing store supplies rollouts, large and small, **with minimal notice**
3. Managing your inventory **and your vendor relationships**
4. Providing visibility on **hundreds of data points with ease**

What if you had...

A supplier consolidation program that streamlined your procurement process resulting in a simplified ordering, fulfillment, and payment process?

Shorter lead times for supply deliveries which minimizes disruptions in your store operations?

Real time inventory visibility that would enable accurate demand forecasting and replenishment planning to reduce stockouts?

With FSI You Can!
